

Current WALK space

Located next to the in-school suspension office, the existing WALK classroom is not conducive to creating an experience that will transform student relationships with learning.

Current Home Ec Space

Our goal
is to recreate
the WALK space
using CHS'
former Home Ec
classroom:

Old & outdated

Underused

DECEMBER 2019

OUR INNOVATION:

Kitchens

Available to students & teachers for:

- Project-based learning & instruction
- Application of garden work through cooking produce
- Shared meals & community building

Clothes Corner

Available to students to help meet physiological needs:

- Washer & dryer
- Clothes swap

Book Nook

Quiet study space for students to:

- Recharge
- Act on curiosities
- Guide their own learning

SmartBoard

Innovative technology to foster:

- Improved group communication & interaction
- Opportunities for students to present & share learning

DECEMBER 2019

Michelle Smith's Office

Michelle works directly with WALK students to assist them with their online coursework. Having her own space allows for:

- Continued engagement with & direct supervision of students

Computer Lab

Quiet, academic space reserved for:

- Continued online credit recovery
- Classroom learning

Planning Area

A bulletin board area where students can:

- Practice setting goals & create plans for reaching them
- Begin exploring paths for after graduation
- Access resources to guide future planning

Flexible Seating

More seating options to increase comfort & improve engagement:

- Standing desks & variety of chairs
- Fewer tables for more open space

Learning Lab

Nell Downey's Office

Nell is the professional counselor for WALK. A new space could benefit her engagement with students by promoting:

- Expansion of services
- Increased privacy
- Improved ease of access
- Increased physical & emotional comfort

Zen Den

Relaxation area designed by WALK counselor to invite:

- Positive coping strategy development
- Mindfulness & well-being practices
- Student motivation to prioritize & take ownership of mental health

Bathrooms

Proximity to bathrooms will:

- Increase time spent on learning by deterring students from hanging out in halls during class time

Dianna Poe's Office

Dianna is the coordinator of the WALK Program. Students often visit her office for:

- Warmth & support
- Connection & conversation
- Concerns & questions

Amenities Closet

Will include access to basic supplies:

- Personal hygiene (toothbrush, clothing, shampoo)
- School materials (pencils, binders, etc)
- Food pantry (canned goods, etc)
